

## **TASTING POLICY**

We are happy to offer food tastings. Tastings are scheduled Monday through Thursday, from 11:00am – 6:00pm. Day and time of tasting are determined by availability of the Executive Chef, Event Coordinator and the client.

A “general” food tasting is \$20.60 per person for the first two people. There is a charge of \$10.30 for each additional person. For a “**menu specific**” tasting, there is a charge of \$30.90 each for the first two people and \$25.75 each additional person. There is also State and County sales tax of 8.25% on foods and beverages.

Payment is due on the day you schedule your tasting. Payments can be made by check, cash or credit card. ***Payment will be applied to final invoice for your event.***

Please make every effort to be on time as this greatly affects your food preparation.
